Winter Park, FL 32789  
(407) 740-6838

**LICENSE**

Licensed Psychologist (PY 7553)

**EDUCATION**

- 2001 – 2006      **Doctor of Psychology (APA Accredited)**  
Nova Southeastern University, Fort Lauderdale, Florida  
Area of Specialization: Neuropsychology
- 2001 – 2003      **Master of Science, Clinical Psychology**  
Nova Southeastern University, Fort Lauderdale, Florida  
Area of Specialization: Neuropsychology
- 1997 – 2000      **Bachelor of Science, Psychology, with honors**  
Nova Southeastern University, Fort Lauderdale, Florida

**PROFESSIONAL EXPERIENCE**

- 2007 – Present      **Licensed Psychologist, Psychological Affiliates, Inc., Winter Park, Florida**  
Complete neuropsychological, psychological, and forensic evaluations of children, adolescents, and adults for various presenting issues, including academic (psychoeducational, gifted), Attention-Deficit/Hyperactivity Disorder (ADHD), learning disability, psychological/emotional functioning, physical, emotional, and sexual abuse, competency and sanity. Provide Play therapy to young children (ages 4 & older). Provide Cognitive-Behavioral therapy, social skills training, and executive skills training to children and adolescents for issues including behavior problems, oppositional defiant disorder (ODD), anger management, ADHD, learning disability, neurosocial disorders, social skills deficits, executive skills deficits, separation anxiety, anxiety, Obsessive Compulsive Disorder (OCD), phobias, depression, Bipolar disorder, divorce issues and adjustment difficulties. Provide individual therapy to adults for various issues including depression, Bipolar disorder, anxiety, OCD, phobias, stress management, ADHD, anger management, relationship issues, adjustment problems.

2006 – 2007

**Psychological Resident, Psychological Affiliates, Inc., Winter Park, Florida**

Completed supervised neuropsychological, psychological, and forensic evaluations of children, adolescents, and adults for various presenting issues, including academic, ADHD, head injury, physical, emotional, and sexual abuse, competency and sanity, sexual offending, and custody. Provided supervised individual therapy to children, adolescents, and adults. Co-facilitated group therapy for children of divorced families. Consulted for Orange County Child Protection Teams during multidisciplinary staffing of cases of child abuse.

2005 – 2006

**Predoctoral Internship in Clinical Psychology/Neuropsychology, Florida International University Counseling & Psychological Services Center, Miami, Florida (APA Accredited)**

Conducted neuropsychological and psychological evaluations of students with various cognitive and psychiatric disorders. Evaluations included clinical interviews, administration of neuropsychological and psychological tests, scoring, interpretation, report writing, and client feedback. Provided diagnostic interviewing, individual, group, and couples psychotherapy from an integrated framework. Participated in one day per week of on-call crisis or emergency intervention. Provided supervision to graduate level practicum student. Provided outreach and workshops to University community on a regular basis. Served as liaison for University residence halls and Health Center. Attended weekly didactic training on topics related to psychology. Attended weekly supervision (individual, group, neuro, neuro group, and supervision of supervision).

**CLINICAL EXPERIENCE**

2003 – 2004

**Neuropsychology Assessment Center, NSU, Fort Lauderdale, Florida**

Provided comprehensive neuropsychological and psychological evaluations to clients with neurological dysfunction. Evaluations included extensive clinical interviews, neuropsychological and psychological assessment, interpretation, report writing, client feedback, and therapeutic intervention. Client population included children, adults, and geriatric clients with known or suspected brain dysfunction and cognitive impairments associated with head injury, stroke, various dementias, schizophrenia, depression, Bipolar disorder, anxiety, conduct disorder, ADHD, learning disability, autism, and Asperger's Disorder. Attended weekly 2-hour supervision of neuropsychological assessment and therapy cases. Attended weekly didactic training on various topics related to neuropsychology.

2003 – 2004

**Miami VA Medical Center, Neuropsychology, Miami, Florida**

Administered and scored neuropsychological batteries given to both inpatient and outpatient clients with known or suspected brain damage and a wide variety of diagnoses. Co-led sessions of group therapy for psychiatric inpatients. Attended intern case conferences, assessment,

neurology, and didactic presentations. Attended brain cutting seminar at the University of Miami Medical School.

2002 – 2003

**Adult Outpatient Program, NSU, Fort Lauderdale, Florida**

Performed diagnostic interviewing, evaluation, assessment and treatment plan formulation for individuals from general adult psychiatric population. Conducted comprehensive biopsychosocial and psychological assessment evaluations. Psychotherapy was provided from an integrated framework representing cognitive-behavioral, existential, and psychoeducational theoretical orientations. Presented cases at faculty and student conferencing workshops. Clinical training included individual and group supervision, case conferences, peer reviews, clinical team meetings, case transcription, and didactic seminars. Trained in HIPPA, JAACO, and CMHC paperwork.

**WORK EXPERIENCE**

2003 – 2005

**Neuropsychology Assessment Center, NSU, Fort Lauderdale, Florida**

Coordinated a specialty clinic in a community mental health center. Specific duties included scheduling of therapists and consumers and making patient referrals; Trained and peer supervised 25 advanced doctoral level practicum students in test administration, scoring, interpretation, charting of psychological services, report writing, and treatment planning; Attended the NSU Community Mental Health Center compliance trainings; Monthly neuropsychology research meetings; Monthly coordinator meetings; Completed formal evaluations for forensic cases; Recruited prospective practicum sites for doctoral student training; Assisted with marketing assessment services to community; Coordinated and managed adult database of neuropsychological test batteries used for research.

**TEACHING EXPERIENCE**

2006 – 2008

**Adjunct Faculty Member, Interpersonal Communication, NSU, Orlando, Florida**

The course includes study of human communications, interpersonal relationships, and the impact of communication on behavior. Topics include verbal and nonverbal behavior, development of relationships, and conflict management skills.

2005

**Adjunct Faculty Member, Psychological Research Methods, NSU, Fort Lauderdale, Florida**

Adjunct faculty at Nova Southeastern University Farquhar College of Arts and Sciences. The course included exposure to research designs commonly used in psychology: observational, experimental, quasi-experimental. Objectives included understanding of the basic methods used in psychological research, familiarity with research ethics, ability to interpret, evaluate, and critique research findings reported in the literature,

ability to design a quantitative experimental study, and use of APA-format writing style.

## **RESEARCH EXPERIENCE**

- 2001 – 2005      **Neuropsychological Assessment Center, NSU, Fort Lauderdale, Florida**  
Duties included scoring and coding data from comprehensive neuropsychological test batteries, data entry into child, adult, and geriatric databases for statistical analyses and research projects. Trained and peer supervised advanced doctoral level students in the administration, scoring, and interpretation of neuropsychological test batteries, statistical analysis, and writing articles. Attended poster presentation as 1<sup>st</sup> author for the 2004 American Psychological Association convention. Attended poster presentations as 1<sup>st</sup> author for the 2003 and 2004 National Academy of Neuropsychology conference. Co-author of several abstracts and poster presentations for the APA and NAN conventions from 2002 – Present (see list of publications). Attendance of bi-monthly research meetings.
- 2004              **Cognitive Changes after Hyperbaric Oxygenation Study, Fort Lauderdale, Florida**  
Administered pre and post treatment neuropsychological evaluations to severely disabled children and adult outpatient referrals. The population included patients with documented Stroke, TBI, Dementia, MS, Anoxia, Chromosomal abnormalities, and CP. Data collected from the evaluations is currently being examined for cognitive changes over the course of Hyperbaric Oxygen Treatment as determined by neuropsychological test score differences and neuroradiological test results (SPECT and MRI).
- 2002 – 2004      **Normal Variation of Neuropsychological Functioning Research Study, Fort Lauderdale, Florida**  
Recruited subjects, administered neuropsychological battery to subjects, scored data, wrote reports, presented cases to clinical supervisor, provided subjects with feedback of results.
- 2003 – 2004      **Cognitive functioning of Geriatrics Research Study, Fort Lauderdale, Florida**  
Cognitive functions of intelligence, memory, attention, achievement, motor, and executive functioning among a geriatric population was investigated. Recruited subjects, administered neuropsychological battery to subjects, scored data, wrote reports, presented cases to clinical supervisor, provided subjects with feedback of results.
